Heartworm preventative is highly recommended - there are documented cases in our area.

## TRAINING SESSIONS

### GROUP TRAINING SESSIONS

Training in a group setting is a great way to socialize your dog, as well as provide confidence building opportunities. The first session is a 60 minute group discussion (owners only - no dogs) on what owners would like to get out of the training. From the discussion we will set up a training plan and break it down into 6 to 10 one hour sessions. You will be provided with homework to meet specific training objectives at the end of each session.

FEES:	6-Weeks/\$60	Beginners Training
	8-Weeks/\$70	Basic Training
	10-Weeks/\$100	Advanced Training

### TRAINING PACKAGES AVAILABLE ARE:

-  Puppy Socialization & Manners
-  Basic Obedience
-  Advanced Obedience
-  Agility
-  Confidence Building
-  Clicker Training
-  Custom Training

### PRIVATE TRAINING SESSIONS

The first session is a 90 minute consultation to discuss your training skills and dog's needs.

FEES: The initial consultation is \$100 (includes 6 weekly training sessions); subsequent coaching sessions are \$10 for each 30 minute session.

### AT-HOME TRAINING

The trainer will train your dog and work with you, at your home, on a weekly scheduled basis that fits your busy schedule. Call for details and pricing.

### LODGING/TRAINING PACKAGES

The trainer will train your dog and then assist you with techniques to continue improving the behaviors at home.
